Dear Beth,

I've always been very wary of getting embroiled in a work romance. A mate of mine got himself into all sorts of hot water that way a few years ago, and it seemed to me that it wasn't worthy the bother. All this changed a couple of month's ago, though, when I got drunk with Alli. And I'm not sure why she was so special that I ignored every rule I've ever made, but she just got under my skin and I couldn't resist her.

It all started in May of last year, when she was moved to my department. I hadn't noticed her before then, despite us working for the same company for two years, but as soon as I was seeing her every day I became more and more attracted to her.

And I could tell she fancied me too. She'd go out of her way to say good morning to me, always passing my desk with a cheeky grin and we'd often find ourselves in the kitchen making coffee at the same time. And she'd always make the same crack about liking her coffee the same way as her men: "hot, black and sweet – just like you, Paul!" Well, I would've had to be deaf and blind not to pick up on her not-so-subtle hints! I flirted with her a good bit – and enjoyed every second of it – but I wasn't going to take it any further, despite her suggestions that we go for a drink.

It wasn't until the Christmas party just gone that we got it on and I broke my cardinal rule. I always show my face at the work's do for a couple of hours, as it's compulsory and giving it a miss is properly frowned upon, but as soon as everyone starts getting shitfaced (usually by 9pm) I make a quiet exit. Not this year, however. Nope, as soon as Alli clocked me at the bar, she made a beeline for me and didn't leave my sight for the rest of the night. Not that I minded, actually, as she was looking a peach! She had on this really tight dress that barely covered her peachy arse and high pointy stilettos, showing off her toned, tanned legs. I've got a thing for girls' legs and, as the night wore on and we chatted away to colleagues, I couldn't help but daydream about having Alli's wrapped around my back as I slipped her a length. Snapping myself out of it, I excused myself and went to splash my face in the gents' sink, then went outside for a ciggie and a bit of fresh air, hoping it would sober me up a bit.

No sooner had I sparked up, than Alli appeared next to me, asking me for a drag. I jumped, surprised at her being there, but handed her my fag regardless.

"Thought I was the only one out here," I commented, as she took a big lungful and passed it back.

"Yeah, well, great minds," she replied, smiling up at me. She shivered, moving in close to me.

"It's freezing!" she went on, "Let me inside your jacket to keep warm!"

And with that, she opened the front of my blazer and snuggled herself into my chest. I went to take it off to give to her but she stopped me, instead standing on her tiptoe and planting a kiss squarely on my lips. I went to move away, but she wrapped one arm around my neck and pulled me in, holding her body tightly against mine while snaking a hand down to cup my hardening prick through my trousers.

I'm no prude, but I was taken aback. Unfortunately, I was also hammered and had no willpower, so I didn't even try to stop her. And when I felt her unzip my flies, I lost all self-control and snogged her back hard, shoving my tongue into her mouth and grabbing her big, fleshy tits through her thin dress. She groaned and, having finally released my cock from its confines, began stroking and rubbing my rigid tool for all she was worth!

This only went on for about a minute because, as she wanked away, I became more and more obsessed about getting my dick wet inside this gorgeous creature, until the urge was too much and I couldn't wait any longer.

"Turn around and face the wall," I murmured into her ear. She obliged, spinning round and sticking her arse out towards me. This wasn't an offer I was about to refuse and I sidled up behind her, pushing my boner into the material-clad crevice of her arse as I grabbed her boobs from behind, holding them as I ground my crotch into her bum. She was gasping now, quietly begging for me to fuck her, and that made me even hornier. I yanked her dress up to reveal the tiniest little thong I'd ever seen. I honestly wasn't sure why she'd bothered! I slapped her smooth butt cheek as I went to pull her knickers aside. As I did so, I brushed my fingers against her snatch and felt that she was literally dripping with fuck-juice.

I was so turned on now, that I had to have her and bumped my cock-head up against her pussy entrance. She reached between her legs and held herself open for me, willing me to slide right inside to her warm tunnel.

Dear Beth,

How great it was to see former editor Michelle back in the magazine! I have to say that between the two of you, you've got some of the best tits in the business! The rest of your bodies are pretty damn good to if I have to say. I've got every single magazine that the two of you have appeared in, the number of copies is getting out of control! There's one thing that's missing though and that's a magazine with both of you in it doing a girl-on-girl photo shoot. That would blow my mind, and a certain other part of my body might blow too!

Gavin, Email.

Beth says: That's very kind of you Gavin, I'll tell Michelle the next time I see her and see if we can get a date for that shoot!

We would love to take a look inside Beth Bennett's walk-in lingerie wardrobe, because we've never seen her wear the same bra and knickers combo more than once! "What you've seen is just the tip of the iceberg, you could say I've got a bit of an addiction that has gotten a bit out of control! Lingerie makes me feel sexy and horny, and when I'm in that kind of mood you'd better watch out!

...Continued from page 04

My helmet nudged her fingers out of the way, and as I entered her tight, wet passage, I felt her fanny walls clenching around my tool. I looked down, watching as my prick slipped in and out of her soaking vag, whipping her juices to foam. Her lips were pink and swollen, and now I felt her pussy muscles tighten even more, almost vibrating as she tensed just before climaxing. When she came, I was almost certain that she was going to bring the whole party outside to see what was going on, she was so loud! I slapped a hand around her mouth to dampen her shrieks and was almost relieved when her orgasm finished and she calmed down.

I wasn't finished with her yet, though, and as soon as her breathing was back to normal, I span her around, lifted her up so her legs were wrapped around my waist and began banging her up against the wall. Her ample boobs were bouncing up and down with every thrust, which was a sight I won't forget in a hurry, and she made such a horny whimpering sound every time I ploughed my dick inside her, that it didn't take me very long to come at all!

"she inched her face closer to my cock until it rested on her chin."

I pulled out just before I shot my load (obviously not wanting any accidents!), but I wasn't paying any attention to where I was directing the stream, so I ended up spraying a huge jet of jizz all over Alli's stunning legs! I couldn't have planned it better if I'd tried!

That was only a few months ago and, despite me not wanting an office romance, we have slept together quite a few more times. I'm keeping it very low-key and casual, though – I'm already breaking every rule in my book!

Dear Beth,

Usually on my birthday I can wake up to a quick shag, but this last one was exceptional. I've been with my girlfriend for four years, and all my past birthdays have fallen on a weekday. Which meant I was expecting to wake up with Sophie's hand round my shaft, swiftly followed by her pussy as she fucked me awake and then dashed of to work. But I woke up on this year to find the bed disappointingly empty.

Maybe she'd just nipped downstairs to get my present, I wondered, but five minutes later I was still alone. Bugger this, I thought, and slipped my dressing gown on ready to go and find her. Walking down the stairs, I smelled what was going on before I saw it – she was cooking a full English. Not a bad thing, but when a man's expecting to get his rocks off it's hardly a decent substitute. I was all set to pull a grump when I walked into the kitchen and saw Sophie. She was in front of the stove with her back to me, but what a sight! She was wearing a red G-string, bra and stockings, complete with suspenders and six-inch heels.

"Morning sweetheart," she said over her shoulder, acting like nothing was out of the ordinary – like she cooked breakfasts everyday dressed to kill. Her hair was all pinned up and I caught a flash of crimson lipstick as she spoke. "Take a seat, your food will be ready in a minute."

There was a surreal quality to the moment. If I spoke I would ruin it, so I sat down wordlessly at the table. Without acknowledging the unusualness of the situation, Sophie served up my food and sat down beside me. "Eat up, love, before it goes cold," she said, sipping on her tea. I had no real idea what she was up to, except that there was definitely a shag in it for me somewhere, and I'm game to play along with anything that means I'll be getting my torpedo wet at the end.

Tucking into my bacon and eggs, I had a lovely view of Sophie's cleavage out the corner of my eye, and while I was admiring this alluring sight I saw Sophie's hand drop beneath the table and make its way over to my thigh. It slid slowly up my leg, under my dressing gown, and came to rest millimetres from my cock.

"When you've finished that, I'll give you your real present," Sophie whispered in my ear, her hand cupping my balls, giving them a squeeze.

"And what happens if I don't finish it?" I asked, becoming impatient.

"That would make you a naughty boy, and naughty boys don't get any afters..." she said, twirling her hair through her fingers. I tucked in with renewed relish, eating it all in five minutes flat, and sat back in my chair, full. Sophie stood and took my plate away, then returned to the table to sit beside me again. Leaning one elbow on the table, she again slipped her other hand beneath it and ran it slowly up my thigh.

"You look a little full, let me work some of that meal off for you," she said. Pulling my dressing gown open, she took hold of my rock hard meat and began to slowly and softly. stroke it up and down. She brought her face close to mine and kissed me hard, her eyes never leaving mine, her thumb moving over to rub the tip of my dick and smear my pre-come all over it.

"There, that's better," she said, standing and licking her thumb clean. Without any further ado, she climbed onto the table in front of me and lay on her back, her feet on my shoulders, her crotch where my plate had just been.

"I hope you have room left for a little of this," she said, rubbing herself with a finger. The silk of her thong was moist where she touched herself – it looked like she had been getting excited about this breakfast long before I was awake. I took hold of the thin strips of material around her waist and pulled her panties off, leaving them dangling from one ankle. Her freshly shaven pussy glistened, the pink folds of her labia wet with her juice.

With her feet over my shoulders, I dipped my face down and spread my tongue out wide on her open hole, lapping at her, tasting her from hole to hood. All I wanted to do was to stand up and fuck her as hard as I could, resisting the urge took all the patience I could muster and I worked hard at eating her out, trying to think of nothing but how wild I could drive her with my probing tongue.

I began to fuck her with it, pushing it up her and rubbing her clit with the tip of my nose, bringing my thumbs into play by running them along the outside of her pussy lips and squeezing them together round her clit while I tongued and sucked at it. My face was smeared with her juices and Sophie's thighs were shining with her vaginal nectar.

"You are a hungry boy," panted Sophie. She ran her hands through my hair and prised my head from between her thighs.

"But I'm hungry, too."

She climbed off from the table and under it until she as kneeling in front of me, her hands on my thighs. Keeping her eyes fixed firmly on mine, she inched her face closer to my cock until it rested on her chin, my helmet down one side of her nose, its tip under her right eye. Then her tongue came out and she slowly dragged it along the underside of my shaft, catching my helmet on its moist cushion. Her tongue disappeared back into her mouth and my cock stretched across her face again as she came down to suck on my balls. I could remain calm no longer, and when her tongue ran up my shaft again I eased my cock into her mouth as Sophie accepted it happily. Soon I was fucking her mouth, pushing my cock in as far as she would let me and then easing it back out while Sophie sucked noisily on it. There was no way I could carry on like this; if I didn't fuck her now it would be too late, and Sophie sensed it.

She stopped eating my dick and came out form under the table. "I think it's about time we got onto the main course," she said, standing in front of me and removing her bra. Turning round, she bent over the table, her legs spread wide, her muscles stretched taut by the six. inch heels. It was a sight I'll not forget in a hurry: Sophie bent over like that, her breasts. swinging free, her nipples grazing the table as she looked at me over her shoulder. "Come on, birthday boy, fuck me like you want to."

I came in close to her and let my dressing gown fall from my shoulders. Pulling her buttocks apart with both hands, I slid my cock up her wet hole with ease. Fuck her slowly then build it up nice and easy, I thought, but thirty seconds later I was fucking her hard and fast as she cried out with lustful abandon.

"Her lips were pink and swollen, and now I felt her pussy muscles tighten even more."

"I'm gonna come," I cried.

"Come on me," Sophie moaned back. I didn't hesitate, but pulled my cock from her hole just in time to shoot arcs of hot spunk over her back. Aiming my dick, I blasted a load onto her bum hole and shot two more over each thigh as Sophie's hand slipped between her legs and rubbed my jizz hard onto her swollen clit. I listened to her orgasmic moans, wiping my cock on her spunk wet ring and pussy, coaxing the last few drops out and we stayed like that for a while half gasping and laughing as we got our breath back.

It was by far and away the best birthday I've ever had and hope I have more like it.

I love being small and being picked up and thrown around, preferably between two or three big steaming members, you'd be shocked to know just how big I can take!" the pint-sized perv reveals. "I can satisfy them all, but can you satisfy me?"

Miss BEHAVIOUR

Real Life Adventures

A couple of weeks ago my wife, Beverly, and myself were watching a blue movie when the doorbell interrupted proceedings. As we had already become pretty aroused and involved with each other, we had to rush to straighten our clothes up. When I got to the door I found our new neighbours, Jill and Jim, on the front step.

Beverly came up behind me and insisted on inviting them in for a coffee. They'd only moved in a few weeks previously but we're sociable types and we'd talked over the fence quite a bit. They were about our age and seemed like a lot of fun.

I ushered them in to the living room, not realising that in Beverly's haste to get presentable and follow me into the hall, she'd forgotten to turn off the bloody tape!

The screen was showing a foursome in the throes of some pretty hot sex scenes.

Embarrassed, Bev quickly shut it off. We all laughed and Jim asked if they should come back another time as we they'd had no intention of making pests of themselves. Still laughing – from embarrassment as much as the ludicrous nature of the situation – Bev and I insisted they stay, adding, red-faced, that we hadn't gotten that far yet.

We all had some drinks and eventually the conversation got back to the tape. Jill grinned at Bev, then dropped her bombshell. "That really looked like fun," she said. "The foursome… Have you two ever tried it?"

It shocked us but it certainly broke the ice.

So much so that Bev told her about a threesome we'd enjoyed several years ago, and in quite a lot of detail.

Jill was obviously intrigued and getting turned on. "I wouldn't mind watching that tape, if nobody else minds," she said.

I dimmed the lights and turned the video back on. Jim and Jill were sitting on the couch, and Bev and I were in our recliners.

As the tape played, I noticed Jill's hand slide onto Jim's lap and I could tell she was rubbing his cock. And it wasn't long before Jim's hand found its way under Jill's short skirt.

Meanwhile, Bev and I were getting even hotter watching the two of them. Bev had on a short dress that had slid up her thighs quite high and I knew she wasn't wearing any panties. Jim started watching Bev's legs as his wife continued to stroke him.

Bev spread her legs a little so he could get a better view, then slid her hand down to her pussy and started rubbing. Nothing was said by anyone.

Not to be outdone, and looking directly at Beverly, Jill slid down Jim's zipper and fished out his hard cock for Bev to see. Still looking at Bev, she bent and slowly licked his shaft. Bev was rubbing her pussy harder and licking her lips as she watched. Jim's cock was quite large and was getting even bigger as she stroked it in front of Beverly.

Then Jill stopped for a second and said, "Bev, would you like to finish this for me?"

Bev glanced at me and I just said, "Go for it." So she went over to Jim and asked him to stand, then unbuckled his belt and helped him slide his pants and trousers all the way down his legs.

Pushing him roughly back on the couch, she sucked his whole cock deep down her throat. Jim just sighed as my wife gobbled his cock in front of our respective spouses.

Then the moment I'd been awaiting arrived, and the lovely Jill came over to me and slowly slipped off all her clothes, then undressed me.

She had a beautiful, sexy body and a neatly shaven pussy. She guided me over to close by where Bev was busily sucking off her husband and lay down on the carpet. Looking in my eyes, she asked me coyly to lick her pussy.

I dived face-first onto her cute little quim like a man possessed. After a few minutes she pushed me on my back and straddled my face so we could 69. Her hot little mouth was wet and her tongue was driving me crazy.

I could see Bev out of the corner of my eye. She and Jim were now both naked and Bev was riding his cock hard as he sat on the couch and played with her big tits. I couldn't take much more and pulled my cock out of Jill's mouth.

I bent her over the recliner so we could both watch her husband fucking my wife while we screwed each other.

Jill was quite a view herself, what with her tight little arse and that neat, slick pussy peeping between her legs. I slid my cock slowly into her wetness as she moaned, her gaze fixed on Bev and Jim fucking.

Whimpering in pleasure, she extended an arm as I pumped her and cupped Jim's balls in her hand as he thrust up repeatedly into my writhing wife.

Simultaneously, I wet my finger and slowly slid it into Jim's wife's cute little anus. She arched her back and pushed her bum back hard on my finger. Then she wet her own finger and slowly slid it up Bev's arse as her husband steadily pounded away at Bev's cunt!

Bev's reaction? She just went wild and fucked him all the harder. She became frenzied, and Jill and I weren't any calmer than she was by now.

We all fucked like sweating, yelling freaks for several more minutes, then Jim yelled out, "Fuck, Beverly, I'm going to come in you!" He picked up his pace, fucking her like a man possessed and then, stiffening, unloaded himself deep in her pussy.

Bev followed quickly, moaning softly as she clenched his cock in her pussy.

I knew I was close and grabbed Jill's tits as I rode her even more frantically than before. She came off before me, wailing and crying with ecstasy then, slipping off my pole to kneel at my feet, she reached up, and began wanking my spurting come onto her upturned, smiling face.

I suppose like most blokes, I'm used to being the one in the driving seat when it comes to chatting up girls. I'm no great stud or anything, but it has always been me who has been the one to approach women in bars. I've never had a woman make a move on me. Well, not until recently, anyway. And I must say, it was possibly the best sex I've ever had.

It was a Thursday night and I was in a great mood as I had just received a huge pat on the back from work, and quite a nice little bonus to go with it. Keen to blow my own trumpet and celebrate, I headed down to the pub where I usually meet my friends for a few beers after work. To my disappointment, however, none of my mates were there. I had a quick beer, but I didn't really fancy drinking alone, so I was all set to leave when a sexy brunette with long legs and a body to die for came over and sat next to me at the bar.

She told me I looked depressed, and asked if I needed any cheering up. She was absolutely gorgeous, with big red lips, deep hazel eyes and I was immediately taken with her. Naturally, I decided to stay for a drink after all!

I bought her a Martini, and myself another beer, and straight away her shameless flirting started. All the usual signs were there: giggling at everything I said, playing with her hair, repeatedly touching me on the arm and staring deep into my eyes.

Now, I know it sounds a little silly, but it took me ages to realise that she was chatting me up. Like I say, I was so used to being the one doing the chatting up, it came as a bit of a surprise to me.

She was dressed in a little black dress and, as she sat on the stool next to me, I couldn't help but notice her stocking stops just creeping out from under the hem. Her well-manicured nails played around the rim of her glass, and I quickly became lost in her eyes and soft, sultry accent.

We chatted for about an hour, laughing and joking, and it honestly wasn't until she asked me if I'd like to go back to her place that I finally twigged. I was being picked up! Instantly I was hit with both a sense of surprise that this was actually happening to me, and a severe ego-boosting burst of pride. After all, this girl was quite a stunner, and could have had any guy in the place, but she chose me.

Like I say, I was a bit slow on the uptake and she literally had to nudge me and say, "Well, are you coming, or are you staying here?" I was on my feet in seconds, and out the door as we jumped into a taxi.

When we arrived at her flat, again she took complete control. She climbed out of the taxi, leaving me to pay, and slowly, sexily sauntered up to the door. She walked in, leaving the door open and I followed her in. Saying nothing, she took my hand and led me straight into the bedroom. She told me to take my clothes off, and as I did, she slipped off her dress and stood in front of me in a black bra and knickers, long sexy stockings and spiked high heels.

She then came towards me, pushing me back onto the bed, and climbing on top of me. Straight away her mouth was on mine, kissing me deeply as her tongue penetrated my lips and washed against mine. My cock was absolutely rock hard now, as this sexy sophisticated woman had her way with me.

She unclasped her bra and, breaking away from our kiss, lifted my head and pushed one nipple into my mouth. Letting out long, deep breaths, she started gyrating her hips down onto mine, dry humping me as I sucked hard on her tit. I moved my hands onto her arse, grabbing her fleshy buttocks, but she quickly smacked them away. She was clearly in control here, and I was to do only as I was told.

Letting me up for air, she pushed my head back down into the pillow, before shifting her position and raising herself above me.

Her long nails raked harshly down my stomach before she took a firm hold on my cock. Then, hitching her panties to one side, she lowered herself down onto me.

My cock slid up into her wet pussy with ease and with one long, slow movement I was in her to the hilt. Her hands pressed firmly down on my chest, instructing me not to move, as she rose up and then pushed back down. Building a rhythm, her heavy breaths soon turned to deep moans of pleasure as she rode me hard.

I still couldn't believe it; I'd been picked up in a bar by this hot chick, and now she was quite literally fucking me. It was the greatest thrill I could imagine.

Her movement became harder and faster as she raised her hands from my chest to play with her breasts. I was coming very close to releasing my load as she started to really pound down onto me. Then, as her moans became yelps of pleasure, and her head tilted back, her pussy contracted around my cock, squeezing it, tightening even more as she came. It was all too much for me, and my cock exploded, releasing jets of hot, thick come deep inside her spasming pussy.

She collapsed down on to me, gave me a peck on the cheek, and rolled over. "You can go now," she said. "I'm done with you."

Well, we've seen plenty of weird and wonderful things on the top deck of a Routemaster bus over the years, but none of them comes close to being as wonderful as delicious Dana here! Of course strictly speaking you're not allowed to carry on like this on public transport, but when you've got a girl this horny, and a conductor who's a lifelong reader of Men Only, and the bus is on it's last couple of stops of an early Sunday morning journey with nary a passenger in site… well, the opportunity's just too good to miss! Sadly, we can't claim to have, ahem, punched her ticket, but as topless London bus rides go, this one sure took some beating!

EMMA

Photos: **BB MEDIA**

There's no getting away from the fact – Emma's had a good bit of coverage in our magazines over the years… she must be becoming a bit of a celebrity back home in Wales by now, surely! "Oh, I don't think I'd say I'm a celebrity just yet!" she giggles, "although what with my pictures appearing in the magazines I guess my name is getting out there a bit more now!" Hmm, so surely the time will come when you won't be able to pop down your local boozer any more without being besieged by hordes of enamoured fans – doesn't that thought worry you at all? "Not in the least! You obviously haven't seen my local boozer – it's a right old dump!" Oh, right. Fair enough then!

FRENCH CHLOE

Photos: **BB MEDIA**

There is something about French women that allows them to combine class with filth like no other women on Earth and Chloe is a fine example! As much at home immaculately dressed in Parisian couture, sipping coffee at a café and frolicking on the beach, she's just as comfortable sticking her naked arse in the air in front of a camera. "I love the beach, especially nudist ones, lying on a beach towel with my feet in the hot sand puts me in the mood." Without sounding boring, sea air carries small particles of iodine which is used by the thyroid gland to manufacture sex hormones. "I never knew this, I will be spending more time on the beach from now on, maybe you could join me?"

DEAR MEN ONLY,

I met Tania at college and, although we've been together ever since (over nine years), we've only been married for just under three years. She's my best mate and I couldn't wish for a better partner.

We've got so much in common and she totally gets me in every way.

She's even understanding about my need for a bit of variety in my sex life, something I never thought she would be until I broached the subject last year. When I say variety, I should clarify – we've always been experimental, but I have never mentioned the urge to bring another person into our bedroom before, which I have had since we got together nearly a decade ago. I thought she would be appalled and upset with me, but she was completely up for it, much to my surprise.

Tania has always had an amazing body, with lovely big tits and fantastic long legs that seem to go on for miles – especially when they're wrapped around my waist while I'm fucking her. Unsurprisingly, guys are always eyeing her up and it makes me feel smug and proud to have such a stunner on my arm. And I have to admit that I get really turned on when other guys take an interest in my wife.

As I said, we've always been pretty adventurous when it comes to our sex life: shagging in places we might get caught, videoing and taking photos of ourselves in action and role-playing have all been part of our sexual antics over the last decade.

But it wasn't until we got drunk last year and I confessed that I'd like to see her getting fucked by another guy that things started to become really interesting for me.

As we fucked a couple of hours after my admission, Tania started to tease me, getting me even hornier by suggesting friends of mine that she would be happy to invite into our bed – naming more and more names as I pumped my rigid prick in and out of her sodden pussy, both jealous and extremely aroused as my wife listed the mates of mine that she fancied.

For a while after that night, we discussed having a go at the dogging craze – both of us realizing that involving someone we knew might not be the wisest idea in the long run – but decided it wasn't really for us, so Tania came up with the idea of simply advertising on a contact website for a man to fuck her while I watched, or even filmed the event.

It was horny enough just going through the email replies and photos from all the men who responded to the advert we placed, which included a photo of Tania in black stockings, heels and a mini skirt on all-fours on our bed, her shaven pussy on display and her tits bulging out of her lacy bra.

Tania selected a guy Mike as a likely candidate, as his photo showed that he kept himself in shape, had a nice smile and a very thick seven-inch dick.

A week later we met this Mike at a pub in town, and by the way Tania was flirting with him, I knew we'd made the right choice. Mike was fine with me filming them and wasted no time in getting better acquainted with my wife, snogging her passionately in the

taxi-ride home. My cock was as stiff as a board as I watched them kiss and, as he ran his hand up her stockinged thigh, I couldn't wait to get out the camera and film them getting down to some full-on action.

I left them for a few minutes while I fixed us all a drink and when I returned to the lounge, Mike had already unbuttoned Tania's blouse and was gently stroking one of her tits through her black satin bra. Luckily, I had gotten my faithful camcorder ready before we went out, and I positioned myself by the door so that I could get both of them in shot. Tania smiled at me and slowly unbuttoned Mike's jeans before reaching inside and dragging out his semi-stiff prick. I zoomed in on her hand as it gripped his shaft, wanking him until his cock was as solid as mine. Then I zoomed out just in time to film Tania's long black hair cascade over the guy's crotch as she parted her bright red lips and sucked the shiny tip of his rod into her wet mouth.

She looked straight into the camera as she slurped on the tool, wrapping her tongue around the girth as it penetrated to the back of her throat. I moved around the sofa and filmed Tania as she spread her legs so that Mike could grope her pussy from behind. He slipped two fingers straight inside her dripping pussy and turned them inside the tight passage, making Tania squirm.

Through the camera's screen I could already see my wife's juices glistening on Mike's palm as he slowly plunged in and out of her, smearing her pussy cream all around the entrance to her snatch and onto the soft tops of her thighs.

Smiling up at me, Tania let his fat cock slip free from her mouth and, pulling out the two fingers that were embedded in her snatch, she straddled Mike's lap. She lowered herself slowly onto his twitching meat as I zoomed in for a close-up of the tip disappearing into the soft folds of her twat. Tania pushed her lovely boobs into his face and my dick throbbed as he noisily chewed on her nipples, slobbering all over her tits as he squashed them together, cramming as much of the smooth flesh into his mouth as he could while she rode his fat prick rhythmically.

"Rachel rubbed my warm sticky jism into her breast, licking her fingers clean after. I then told her to lie down on her back and spread her legs as wide as she could."

I walked around them, filming all the while, as my wife bounced up and down, faster and faster on this guy's dick. I desperately wanted to join in but that hadn't been part of the agreement, so I waited impatiently for Mike to shoot his load and then disappear.

It turned out that I actually didn't have to wait long, as, with a loud grunt then a yell, his whole body tensed and he emptied his balls deep inside her. My final shot was of Tania lifting herself clear as a trickle of thick white spunk dribbling from her gash and over his softening cock.

After tidying himself up and knocking back a farewell drink, Mike left and I wasted no time in screening our new porno while I screwed Tania from behind in front of the TV. Tania came all over my cock as I added my mess to the spunk already squelching inside her gorgeous pussy.

We've watched the film quite a few times now, and are eager to build a collection of similar horny episodes. I love being able to watch my wife fucking other men, and Tania knows it pleases me so we're both happy. You never know, I might well be seeing some of your readers through my camera screen, too, very soon!

DEAR MEN ONLY,

I recently split up with my ex-girlfriend because she wasn't giving me enough action in the bedroom. My intention was to play the field for a bit and catch up on all the fun I'd been missing out on.

This didn't quite go to plan when I met the girl who is now my current girlfriend, Rachel. She's 23 years old, with mousy blonde hair, gorgeous blue eyes and a figure that would make most blokes come instantly.

It all started as these things do with a bit of flirting in the pub.

When I found myself sat with her one Saturday night I decided to try my luck. When we had a quiet moment together I asked her if she fancied coming back to mine to watch a movie and neck a few more drinks. Being a total pessimist imagine my surprise when she replied, "I'd love to, babe!"

Back at mine I opened a bottle of wine and sat down next to Rachel on the sofa and we carried on our chatting. She explained to me that her ex-boyfriend had been a total arsehole with her.

"That's stupid," I replied. "I mean, why would he want to do that when he had a girlfriend as gorgeous as you?"

I felt I was pushing my luck but Rachel just blushed and we carried on chatting. I don't know if it was the booze affecting my judgement but I could tell she was interested by the way she kept brushing her silky hair back. After finishing her fifth glass of wine she got up and apologised as she needed the bathroom.

"It goes straight through me," she added as she walked across the room, her gorgeous arse and hips swaying from side to side almost hypnotising me.

Twenty minutes had passed and I feared Rachel had sneaked out the front door (told you I was a pessimist!) so I called up to the bathroom from the bottom of the stairs.

"Rachel, are you OK? It's just you've been gone a while and the wine is getting warm!"

"Yeah, sorry," she replied, "I'm just a bit pissed, that's all!"

I breathed a sigh of relief and was about to return to my seat when she added, "actually, could you come up here a second, I need a hand with something."

I went up the stairs as the bathroom door burst open and there stood Rachel in her full naked glory. She was already tweaking her nipples that were perfectly mounted on her pert little tits and her hand slid down to her neatly trimmed mound where she started rubbing her swollen pussy lips.

Without any hesitation she grabbed me by my belt and dragged me into the bathroom, pushing me against the back of the door.

She pressed her fanny hard against my stiff cock and said, "I want to feel that bulge of yours inside me."

With that she ripped my clothes off like some kind of animal then I spun her round so she was bent over the edge of the bath. I grabbed my cock by its base and slid it in inch by inch. She was already dripping wet as I began to bang away at her gorgeous silky snatch, squeezing her tight little arse with one hand and massaging her tits with the other. Within seconds she had climaxed and screamed as an orgasm rippled through her body spilling her warm sticky juices all over my cock and down the insides of her toned thighs.

"Sorry," she panted. "I have been waiting for you to do that to me for fucking hours."

She grabbed my cock and slid it slowly out of her sodden gash.

"Now it's your turn. I'm going to milk every last drop of spunk out of your meaty cock," and with that she hungrily stuffed my whole seven and a half inches into her mouth, making lovely slurping noises and cupping my balls as she let me fuck her mouth. After a couple of minutes of doing this I could take no more and I felt my balls tighten as I shot gallons of spunk down her throat.

Rachel rubbed my warm sticky jism into her breast, licking her fingers clean after. I then told her to lie down on her back and spread her legs as wide as she could. I licked the entire length of her wet slit, which made her shudder with delight, and spread her lips to expose her swollen clit.

I sucked at her nub while plunging two fingers in and out of her fanny. This obviously sent her over the edge again because within minutes she was gripping my head and screaming, "Don't stop! I'm coming!" before bucking her hips and screaming out for the second time as another orgasm waved through her.

By this time my cock was hard again and aching to fuck her soft pussy lips. The sight of her there legs akimbo was an offer I couldn't refuse so I mounted her and pumped away like a dog on heat. All the time Rachel was screaming at me, "Go on!

Fuck me as hard as you can you bastard!"

When I could feel the tides of my hot jism rising again, I pulled my cock out and wanked slowly over her snatch, shooting my cream all over her fanny and belly.

Needless to say, after that particular episode we started seeing more of each other and have shared many a sexually explosive night together.

KACIE

Photos: **BB MEDIA**

Kacie has historically appeared in our sister magazines Escort and Razzle, but we thought she was ready for a change of scenery. And what did the little pocket think about it! "It's about fucking time, and thank you!" Wow, that was a bit feisty and you've got a bit of a tongue on you, and you're very welcome too! "I do have a bit of a tongue on me, whether I'm licking balls, bell ends or a dripping wet pussy, I'll be up there with the best you've ever had, but you'd better return the favour or you'll feel my wrath!"

Lisa

You know how it is when you start to fret. Nothing's right. You spend hours looking in the mirror and conclude that your hair's starting to curl, mainly because it's waving goodbye. And although you have not actually developed a paunch, your skin has stretched to make room for when you do. And your thingummy (down there) looks in need of a bit of magnification. And you've spent all year doing sod-all. And you can't think of anything interesting to say to anyone. In fact, the only thing you hear yourself saying is how dull you're getting. And no one disagrees. And, above all, you can't see how any woman could find you in the slightest bit attractive. And then along comes this big friendly girl who finds you fascinating, brushes all your problems aside and even sorts out the charging circuits on your car. Makes you feel great, leaves you for the next average guy and makes you feel good about that, too. Well, Lisa is one of those girls. Just loves making men happy.

EVA RAY

Flash back 20 years and you'd find it hard to find any of our models with one tattoo let alone having ink covering all parts of their bodies. Some people love it, and for others it's not their cup of tea. We're standing firm with the former and when you lock your eyes on the stunning Eva Ray you'd be a liar if you didn't agree. "I always thought I'd maybe get just two or three, oh well. I just love the pain of getting tattooed, sometimes when the pain is so extreme I've been known to orgasm in the chair, I think my artist has a crush on me so he gets a kick out of it too!"

CHARLOTTE

Photos: **BB MEDIA**

Firstly don't worry Charlotte isn't about to turn into a werewolf despite those intense red eyes, at least we hope she isn't! Now that we think of it she did tell us that she lives in a village in the hills surrounded by trees with only one way and one way out! "What rubbish are you talking about, if I wanted to devour and tear your clothes off I wouldn't need to turn into a hairy beast! And unlike my village you'll find three ways in and out on me!"
